1. This memorandum is in response to reference that requested DDS Office Heads to submit candidates for the principal Public Service Awards.

SUBJECT : Nomination of Candidates for  
Public Service Awards

The Security Career Service has no candidate for any of  
the 1965 - 1966 Public Service Awards which were described in  
an attachment to DD/S 65-2798, dated 16 June 1965.

Mr.

No Support Career Service nominees for any of the attached.

For Flemming or Jump--candidates under 40 would be individuals like   
 - a cover problem in each case - and almost impossible to "make a case."

STAT

We have no accountants working in their specialty nor do we have any architects or engineers. The women we have are few and, while worthy of note, they would not compare with some of the more influential and well-known ladies elsewhere in the Agency.

STAT  
It might be worthwhile to suggest to Mr.  the possibility of nominating Colonel White for the National Civil Service League Award--or, perhaps, some of the other 18's in the Service.

SUBJECT : Nomination of Candidates for Public Service Awards

1. Prior to last year candidates for the principal Public Service Awards have been nominated individually at the time the sponsoring organization for each award solicited nominations. Since the criteria for these awards do not change significantly from year to year, we again wish to consider candidates for all of the awards during August in order that we will be prepared to respond to the several solicitations as they occur.

2. You are all aware of the significance of these awards and the importance the Agency attaches to them. Candidates we have nominated in previous years have done rather well in competition with the rest of the Government, and it is, of course, desirable that we make our best effort to continue and to improve this record.

3. While it is not expected that each of you will have a candidate for all of the awards, it is desirable that the Support Directorate be in a position to submit at least one name for each of them. In order that we can have a suitable representation, it is requested that you nominate your candidates and send supporting data to this Office not later than 6 August 1965. Descriptive information about each of the awards is attached.
